

Covina-Valley Unified School District

Goals and Action Plan — 2005-2010

BASIC TENET:

All students will graduate from high school prepared to pursue his/her postsecondary academic and career choices.

AGREEMENTS

We will:

- Focus on learning rather than teaching
- Work together collaboratively
- Monitor each student's learning on a frequent, timely basis
- Create systematic interventions that give students extra time and support for learning

DISTRICTWIDE FOCUS GOALS:

1. ALL students will read and comprehend at grade level by the end of 3rd grade leading to success on CAHSEE English language arts and/or in advanced language arts programs.
2. ALL students will be proficient at grade level standards in mathematics leading to success on CAHSEE math, Algebra I, and/or advanced mathematics standards.
3. ALL English learners will increase their English proficiency by one level for each year in the program leading to reclassification as Fluent English Proficient (FEP) after 6 years.
4. ALL students will demonstrate proficiency in a standards-based curriculum across all content areas.

SMART GOALS:

1. By August 2010, 56% of CVUSD students will achieve proficient or above scores in ELA as measured and reported on the 2010 District AYP report. By August 2010, 40% of the EL subgroup, 49% of the SED subgroup and 44% of the SWD subgroup will achieve proficient or above scores in ELA as per the 2010 District AYP report.
2. By August 2010, 57% of CVUSD students will achieve proficient or above scores in Math as measured and reported on the 2010 District AYP report. By August 2010, 46% of the EL subgroup, 48% of the SED subgroup, and 41% of the SWD subgroup will achieve proficient or above scores in Math as per the 2010 District AYP report.
3. AMAO 1: By August 2010, 63% of CVUSD EL students will meet the annual growth target for AMAO 1.
AMAO 2: By August 2010, 46% of CVUSD cohort EL students will meet the annual growth target for AMAO 2.
4. By August 2010, CVUSD students will achieve a districtwide API of 767.
